```
Original array:-
1 2 3 4 5 6 7 8 9 10 11 12

How would you like to transform this array?
1. Insert an element
2. Remove an element
3. Reshape into matrix
4. Transpose matrix (execute 3 first)
Select your choice: 1
Input the desired value and position of the element (value position): 13 7
1 2 3 4 5 6 7 13 8 9 10 11 12
```
